RE: 2008 Contribution for Primary Debt Retirement

Dear Sir or Madam:

We were recently notified by the Federal Election Commission that your Committee had insufficient debts to warrant a contribution for 2008 Primary Debt Retirement. As a result, we must request a refund of \$2,500 for the contribution sent to your Committee by the Pfizer PAC on July 22, 2008. We understand our check cleared the bank on August 22, 2008, thus necessitating a refund from your Committee.

If you have any questions, please do not hesitate to contact me directly at (202) 783-7070.

Sincerely,

Barbara W. Bonfiglio
Senior Corporate Counsel
